STATE BOARD OF PHARMACY

IN THE MATTER OF THE SUSPENSION : Administrative Action
OR REVOCATION OF THE LICENSE OF: :
: :
JEFFREY S. BRILL : FINAL DECISION AND ORDER
: :
TO PRACTICE PHARMACY IN THE :
STATE OF NEW JERSEY :
18056 :

This matter was opened to the New Jersey State Board of Pharmacy upon Jeffrey S. Brill's application for license reinstatement, dated September 17, 1996. Pursuant to the Final Decision and Order of the Board dated June 29, 1993, the license of respondent was suspended for a period of five (5) years for his conviction of two counts of distribution of controlled dangerous substances. The five year period was deemed to have commenced on August 9, 1991, the date on which respondent ceased to engage in the practice of pharmacy. The Order also provided that upon application for reinstatement, the respondent was to appear before the Board for a status conference to demonstrate that he had kept current in fulfilling his continuing education requirement, that he had continued to receive psychological counseling throughout the suspension period, and that he is fit and competent to resume the practice of pharmacy.

Respondent appeared with counsel before the Board on November 13, 1996 and responded while under oath to questions from the Board members in attendance. Respondent testified that he discontinued his psychological counseling with the approval of the probation

department; however, he admitted that he had failed to abide by the prior Order of the Board which required that counseling to continue.

The Board has considered the testimony of the respondent and the submissions provided by counsel in anticipation of the status conference and has determined that the following conditions precedent and subsequent to reinstatement are adequately protective of the public health and welfare.

IT IS THEREFORE ON THIS 20 DAY OF *November*, 1996,

ORDERED:

1. Respondent's license to practice pharmacy in the State of New Jersey is hereby reinstated upon his completion of the following:

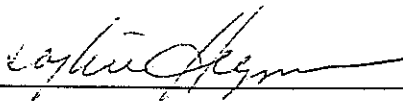

a) Respondent shall pass a current pharmacy law exam administered by the Board, and

b) Respondent shall submit documentation satisfactory to the Board of his successful completion of 75 professional continuing education credits obtained within the five year period immediately preceding the date of entry of this Order.

2. After reinstatement, respondent shall complete his first 500 hours engaged in the practice of pharmacy under the supervision of a pharmacist(s) currently registered with this Board. At no time prior to the completion of the 500 hours shall respondent engage in the practice of pharmacy without the immediate presence of a duly registered pharmacist. Respondent shall cause the supervising pharmacist(s)

to provide written notice to the Board upon respondent's successful completion of the 500 hours.
